

XLR Tooling Skid

The XLR Tooling Skid has been specifically designed to add a tooling drawer to a standard XLR. The drawer is hydraulically operated and is designed to retract whilst no in use. The skid is fitted with buoyancy to enable it to be neutrally buoyant. The skid contains a mounting for a DVL as this will need to be relocated when fitting the skid.

Features.

- Neutrally Buoyant
- Fits Perry XLR
- Hydraulic drawer

Specifications.

Weight in air	250kg
Weight in water	15kg buoyant.
Buoyancy rating	3000m
Dimensions	2220mm x 1698mm x 300mm

Data Sheet: A001-350-137 issue 1

What's included.

- A760-285-110
- Skid
 - Tooling drawer
 - Connection hoses
 - DVL mount
 - Buoyancy package.

The specification details are illustrative for marketing purposes only. Actual equipment may be different as a result of product improvement or other reasons. Specific interface and performance information should be reconfirmed at time of order placement.
